BEST GEAR TEETH FOR ROAD BITE

Clean, graceful lines evidenced by shaving hood on a Lincoln Capri.

Before the chrome is removed it's merely just another Ford automobile.

(Above) Before chrome has been removed Ford rear lacks individuality.

(Below) View after hood chrome has been removed and holes filled in.

(Above) View of Ford after shaving deck and revamping tail lights.

(Below) Before the stock '39 Mercury is restyled it shows its age.
